**Norman Deitch AED Outreach Fund
2017 Recipient**

The Ridings Homeowner's Association

In 2007 Norman Deitch retired from OSHA after 27 years of service. Norman also served as the Region II VPP Manager for 18 years. One of Norman's passions is to foster the use of AEDs to help save lives. In his honor, the Region II VPPPA Board of Directors established the "Norman Deitch AED Fund".

This Year's recipient, **The Ridings Homeowner's Association** is a community of 225 single family homes. The Association owns a community clubhouse which includes a gym and swimming pool. The Association will be receiving an AED. EHS Excellence Consulting will assist the Homeowner's Association in establishing their AED program, including providing American Heart Association Heartsaver AED training to the residents at no cost.

The Board is again soliciting donations to purchase AEDs for worthwhile non-for-profit groups in honor of Norman Deitch's many years of service.

Donations of any amount will be accepted and appreciated.

Checks should be made payable to Region II VPPPA and sent to:

Kevin O'Brien, Treasurer, c/o Access Health Systems 776a Watervliet-Shaker Road, Latham, NY 12110

Help us make a difference in helping others save lives!
